

Jude Siegel

## Bird Journals Supply List

Please bring the following to the class in a pack you can carry easily. Read carefully before you go to the store, and contact Jude (colorfuljude@gmail.com) with questions. All supplies may be found at Artist and Craftsman (two locations) and [The Merri Artist](#) (online and McMinnville).

Bring this list and mention my name for a student discount.

- **Lunch, snacks, water bottle**

- **Journal**

A coil bound or sewn sketchbook, 90#, and suitable for watercolor. Examples: Strathmore 400 series (many people like this one, decent paper, and black cover), Canson XL Mixed Media sketchbook, Handbook, Moleskine. At least 5x8" is a good size.

- **Waterproof black pen**

Examples: Uni-Ball vision elite (light grey with black fisheye top, says waterproof); Faber-Castell Pitt, medium or fine; Pigma Micron .05

### Paints - Please read this carefully!

- **A small travel paintbox that hinges shut**

I want you to use professional quality watercolors, as the cheap paints are bad color choices and unsatisfying. If you do not have any good paints, there are two options I offer.

★ I can make a small travel paintbox for you with ten professional colors for \$65. Please order from me *at least one week before class*.

★ You can rent a paintbox from me for \$5 for the day.

- **Watercolor brush, round, size #8 or #10**

There are many options. I suggest a Princeton (Heritage model 4050-R) will be adequate.

- **Water containers: 3 small yogurt size**

- **Rag/terrycloth**

- **Soft pencil**

Graphite pencil #4B or a regular 2B

- **Kneaded eraser**
