

Archery and Wilderness

TOGETHER FOR NATURE

Hello!

Thanks so much for signing up your camper for Archery and Wilderness camp! We will spend the week learning the basics of wilderness survival and Archery! We will spend Monday and Tuesday visiting local green spaces while we learn survival basics and then on Wednesday we will head to Marmot to hone our Archery skills. We can't wait to find out what your camper is drawn to and how to help them hone their skills!

Drop off and pick up is between 8:30-8:45am and pick up is between 3:00-3:15 pm on Monday and Tuesday. **Drop off on Wednesday is between 8:30-8:45 and pick up on Friday will be from 2:00-2:15.**

As a reminder, no news is good news! If you do not receive a call from your camper or from us, that means everything is going great! Students will have access to our phones to call home if needed, **so we ask that they do not bring their phone on the overnight program.**
