

No School Day Camp Packing List

Please send your child with:

- Appropriate clothes and shoes for outdoor fall/winter adventures. We recommend warm socks, layers, gloves, hats, and a coat. We will primarily be outside, so **extra layers** will ensure a happy camper! An extra set of clothes for our younger campers can also be helpful!
- A rain jacket and waterproof boots are helpful, just in case there is some rain, but also for warmth.
- Day pack to carry all of their layers and lunch
- Water bottle
- **Plenty of snacks and a hearty lunch** - kids tend to get hungrier than usual being outside all day. With food allergies and dietary restrictions, it's helpful for families to pack enough for their camper.
- **If your child requires medication to be administered during camp, please review and complete the [Medication Authorization Form](#) and bring with you on your camper's first day of camp. If you don't have a printer at home, that's ok! We'll have extras onsite at check-in for you to fill out.**
- Pick-up and drop-off are at Bird Alliance of Oregon, 5151 NW Cornell Rd. Check-in will be in the main building on the North side of Cornell, where the nature store is. We have a “window” for drop off & pick up times. Drop off is between 8:30/8:45 a.m. and pick up is between 3:00/3:15 pm. Please be punctual.
- Review our [Cancellation Policies](#).
